Switching gears, the last New York State Constitutional Convention was held in 1967. Since then, New Yorkers have twice voted against having a constitutional convention in both 1977 and 1997. New Yorkers will again have an opportunity to vote on whether or not there should be one. The November ballot question on a Constitutional Convention will ask, "Shall there be a convention to revise the constitution and amend the same? Will you vote 'yes' to have a Constitutional Convention or 'no' to not have a Constitutional Convention?"
