Q32. On another topic, the last New York State Constitutional Convention was held in 1967. Since then, New Yorkers have twice voted against having a constitutional convention - in both 1977 and 1997. In 2017, New Yorkers will again have an opportunity to vote on whether or not there should be a State Constitutional Convention. How much have you heard about that vote in 2017 on whether or not to have a constitutional convention. Would you say you have heard a great deal, some, not very much, or nothing at all?
