Over the last year or so there has been a great deal of conversation about the economy, recession, stimulus plans and now a recovery. We are interested in what changes you and your household have or have not made in response. For each of the following indicate whether you have completely made this change, partially made this change, considered it but not acted upon it, or did not make any change at all.

Use coupons or special offers to purchase necessities like food, clothing or household products.

I'm going to read you some statements that people have been making about the health care reform legislation and its potential effects. For each, tell me whether you strongly agree, agree, neither agree nor disagree, disagree or strongly disagree or whether you do not have enough information in order to say.

Health care reform is long overdue. We have a broken system and we must fix it.
