27. Lately there's been debate about whether New Yorkers should be able to buy wine in grocery stores. Supporters say 35 other states allow this and it will help New York wineries, as well as increase revenues for the state. Opponents, including some law enforcement officials, say it will make it easier for those underage to purchase wine and put neighborhood liquor stores out of business. Do you support or oppose allowing grocery stores to sell wine in New York?
