Later this month, the Supreme Court is expected to issue several major decisions. I'd like to ask you about two of them. [Q31-Q32 ROTATED]

Q31. New York State has had a law for decades that only allows licensed adults over 21 the right to carry a concealed handgun. Would you like to see the Supreme Court uphold that law and let New York continue to require a license for a concealed handgun, OR would you like to see the law overturned, eliminating the need to have a license to carry a concealed handgun?

Q32. Mississippi passed a law to make most abortions illegal after 15 weeks of pregnancy - about two months earlier than was allowed under previous Supreme Court decisions, including Roe v. Wade. Would you like to see the Supreme Court uphold that Mississippi law, effectively overturning Roe v. Wade, OR would you like to see the Supreme Court uphold Roe v. Wade and declare the Mississippi law unconstitutional?
