The American Sport Fanship Survey was conducted by the Siena College Research Institute in partnership with St. Bonaventure University's Jandoli School of Communication on January 2 - 7, 2024, among 3071 United States Residents drawn from a proprietary online panel (Lucid). Data from collection modes was statistically adjusted by age, region, race/ethnicity, education, and gender to ensure representativeness. It has an overall margin of error of +/- 1.9 percentage points including the design effects resulting from weighting.

The Siena College Research Institute, directed by Donald Levy, Ph.D., conducts political, economic, social, and cultural research primarily in NYS. SCRI, an independent, non-partisan research institute, subscribes to the American Association of Public Opinion Research Code of Professional Ethics and Practices.

For more information, call Don Levy at (518) 783-2901. For survey crosstabs: <https://scri.siena.edu/american-sports-fanship-survey/>.
