This Siena College Poll was conducted March 29 - May 10, 2024, among 955 NYS Residents drawn from a proprietary online panel (Lucid). Data was statistically adjusted by age, region, race/ethnicity, and gender to ensure representativeness. It has an overall margin of error of +/- 3.2 percentage points including the design effects resulting from weighting.

The Siena College Research Institute, directed by Donald Levy, Ph.D., conducts political, economic, social, and cultural research primarily in NYS. SCRI, an independent, non-partisan research institute, subscribes to the American Association of Public Opinion Research Code of Professional Ethics and Practices.

For more information, call Don Levy at (518)-783-2901. For survey crosstabs: https://scri.siena.edu/.
